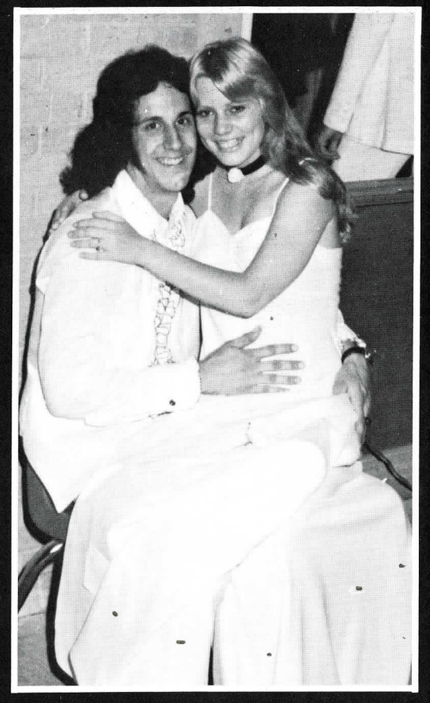
# *Junior-Senior Prom: Paradise Island*



On April 14, Juniors, Seniors and their dates ambled into Comer Jr. High School's cafeteria for their unforgettable 1978 prom. The courtyard was decorated with a mural painted on a large roll of poster paper, depicting a tropical paradise.

Music was provided by Razmus, a new leading band on the local circuit. Highlighting the big event was the abundance of outstanding refreshments prepared under the direction of Mrs. Garner. Everyone seemed to enjoy themselves, including the innumerable faculty members and policemen that lined the room.

Gulfport followed with a 64 yard interception. PAT good.
(0-14)

Later Gulfport added a 25 yard field goal. (0-17)

The Panthers nearly scored late in the game, but fell inches short as time ran out.

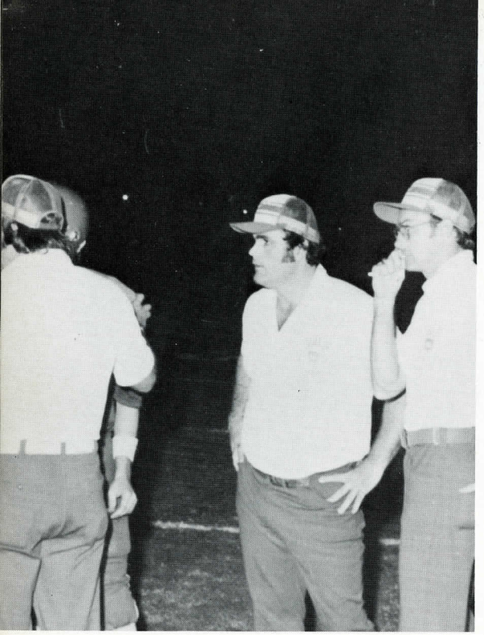
# Pascagoula "Rammed"

The following week Pascagoula traveled to North Natchez, only to find more of the same.

North Natchez scored in the 1st quarter on a one yard run. The score was set up by a Panther fumble. (0-6)

Wright added a field goal for North Natchez at the beginning of the final quarter. (0-9)

The Rams added insult to injury on a 9 yard run with 42 seconds remaining. (0-16)



# 'Goula Fumbles It

Against Meridian Pascagoula had its best total yards output since early in the season. But seven turnovers prevented the Panthers from putting together a victory.

Meridian scored first on a high pitch from Palmer to Thomas. Mark McCormick picked up the ball and ran the 15 yards for the T.D. (0-7)

The Panthers retaliated on the first play of the 2nd quarter when Palmer passed 23 yards to Mark Millette. Millette's catch capped an 85 yard drive. Bovastro contributed 40 of those yards on three carries. (6-7)

Meridian added a 32 yard field goal following a bad pitch on an option by Larry Woodson. (6-10)

In the final quarter, Pascagoula had the ball on their own one following a brilliant goal line stand. But Palmer was tackled in the end zone on the next play, giving Meridian their final points. (6-12)

# Too Little, Too Late

The Panthers returned home for Homecoming against Biloxi. But a poor 1st half showing was too much for them to overcome.

Biloxi had 207 yards in the first half and 14 points on two touchdowns by Melvin Brown and 2 extra points. (0-14)

But the Panthers came out breathing fire in the second half. The defense held the Indians to only 83 yards and the offense finally got untracked, scoring on a 9 yard pass from Palmer to Lance Smith. PAT *good.* (7-14)

Then Reese attempted the onside kick. It was recovered by Randy Walters after bouncing off an Indian. But Biloxi was offsides, nullifying the kick. On the re-kick, the Indians recovered the ball and ran out the clock.

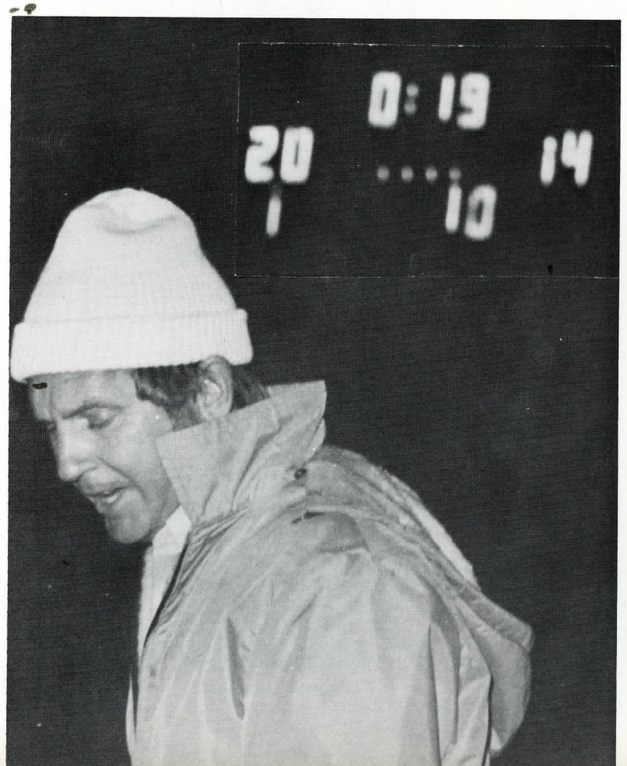
# Mud Bowl

The field conditions were horrible when Pascagoula traveled to Hattiesburg. Billy Harrington scampered 47 yards to paydirt for the only score in the game. The run capped a 70 yard drive. (6-0)

Once again the defense turned a brilliant game, stopping the Tigers twice within the 'Goula two yard line. Once they did it on a fumble and the other time on a goal line stand just before halftime.

'Goula's offense just couldn't put it all together, fumbling three times, stopping deep Panther threats.

# Sweet Victory



Pascagoula came into the game with a six game losing streak and hungry for a win.

Moss Point opened up the scoring on a 49 yard run down the sideline. PAT converted. (0-7)

Pascagoula quickly got on the board on a 3 yard run by Mark Millette. The score was set up by a Tiger fumble recovered by Jay Erwin, at the Tiger 16. (7-7)

Moss Point added another touchdown just before halftime on a fake field goal. (7-14)

Pascagoula scored in the 3rd quarter on a 4 yard run by Pierce. It was set up by a spectacular catch by Guy Summerlin. (14-14)

'Goula's final score came on a 21 yard pass to Lance Smith with 19 seconds remaining. (21-14)

# Hall of Fame

## LaSonya Doggett

Always understated, Sonya Doggett worked very hard and accomplished much for the class of '78. Sonya served as class officer her sophomore and senior years (reporter this year). In addition to helping plan and carry out class activities (which meant making signs and other things), Sonya also found time to be one of the Panthers' best cheerleaders. Grades were also important to Sonya, and she showed this importance by maintaining an NHS average. Beauty and Brains is a powerful combination. We shall surely miss Sonya next year.

## Allison Brown

Important is the only word to describe Allison Brown! Truly, she has been one of most important students in the class of '78. Allison was not only in the "Top 5" of the class, she was aso student boyd President and a "star" tennis player. She found additional time to be Business Manager of the *Panther.* Allison's two most important awards, however, are her election by her peers as Miss PHS and by the faculty's selection of her as the Senior Girl Citizenship winner. Hail to the Chief of '78!

# Hall of Fame

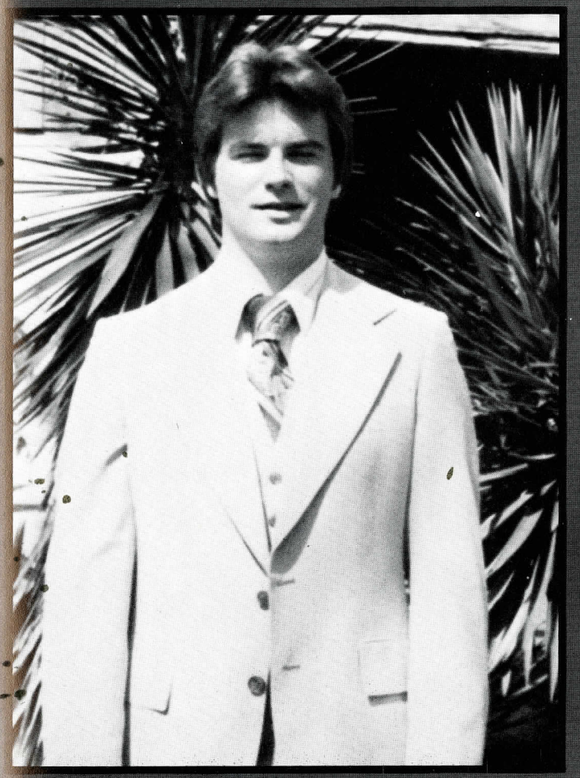
## Lori Grafton

Lori has distinguished herself as a member of the class of '78. Her most obvious accomplishment, of course, is her inclusion in the list of Distinction Graduates. She also helped keep PHS moving by serving as office monitor this year. Most of Lori's extra curricular activities can be associated with Key Club. Serving as a Key Club Sweetheart for three years, Lori was responsible for keeping the scrapbook, organizing the Womanless Beauty Pageant, the President's Banquet, and the Key Club-Faculty Basketball Game. We will miss Lori's executive touch in school activities.

## Brad Gordon

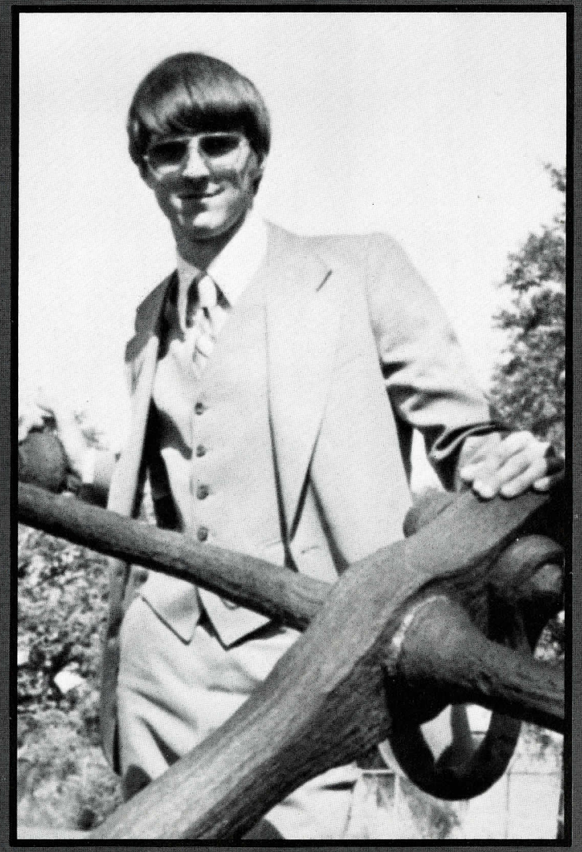
Brad is an example of the perfect balance between the "Brain" (top 5%) and the "Active" student (President of Senior Class). In addition to making A's and directing the most successful Seniors in PHS history, Brad also had time to play offensive center on the PHS football team for three years and work hard in NHS. He won the Citizenship award last year and was selcted Mr. PHS. The Brad Gordons of this world are rare! We congratulate the college that will be able to get this fine young man.

# Hall of Fame



## Bill LaFontaine

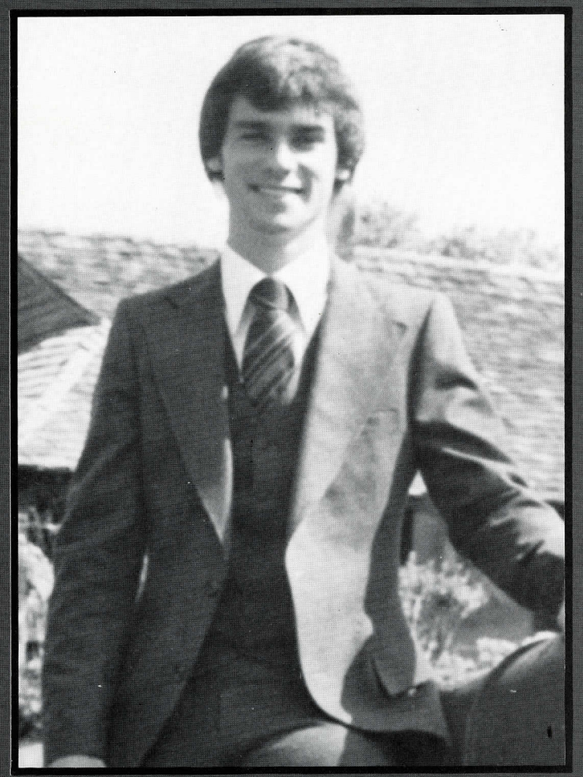
ROTC has been the big influence and accomplishment of senior Bill LaFontaine. Bill earned his position in the Hall of Fame by being an Executive officer of the NJROTC and by being awarded the American Legion Award for Military Excellence. All is not war for Bill, though, as he was also part of the very successful PHS High School Bowl Team. PHS is proud to recognize and reward Bill for his great academic and military accomplishments!



## David Knight

Without the efforts of David Knight, the Senior Class of '78 would have had tough going. David served as Treasurer of the class, and he worked hard. He was instrumental in planning and constructing "Weever," and he was also responsible for helping Key Club finally obtain the marquee for PHS. In addition to school activities, David also found time to study and was included in the list of Honor Graduates. The whole class thanks David for his diligent work.

# Hall of Fame



## Ken Northrup

Ken Northrup is perhaps one of the most underrated students at PHS. Quietly going about his business, Ken accomplished much for the class of '78. He spent his Senior year serving as President of Beta Club and Business Manager of the *Panther*. He looked divine in the Key Club Womanless Beauty Pageant. He worked extremely hard on the float and Yell Contest. He also spent some time studying and emerged as an Honor Graduate. The most notable achievement for Ken, though, was his selection by the faculty as Senior Citizenship Award winner. We are proud of our "War Eagle."

## JoAnn Patterson

Spirited is the adjective which best fits JoAnn. For three years she has led Panther cheers! JoAnn has typified the PHS student who loves all phases of school life. Spirit was also shown as JoAnn served as an officer in Ebony Blanche and participated in the PHS Beauty Pageant. Her enthusiasm for school life and academics was rewarded as JoAnn recieved a full four-year scholarship to Tougaloo University. We say a loud cheer for JoAnn Patterson!

# Hall of Fame

## Ken McInnis

Kenny McInnis was one of the most active Seniors this year! Besides being in Choraliers, he also served as an officer in Ebony Blanche and Editorial Assistant on the *Panther*. We also remember Kenny for his musical rendition in the Beta Follies and his Kappa Alpha Psi Scholarship. PHS is proud of Kenny McInnis.

## Mike MacInnis

"Big Mac" is a nickname for one of the best known Senior boys this year. Mac has the ability to keep our spirits up by just walking into the room. But all is not "fun and games" for Mac, who is a serious student. Mac served as President of NHS and ranked in the Honor Graduates. He served as Sports Editor of the *Panther* and on the offense for the Panther football team. We remember Mac, however, for his good humored attitude and his ability to have fun — and still get the job done. Thanks for the memory, Mac!

"Circle Game"

Yesterday a child came out to wander
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star
Then the child moved ten times round the seasons
Skated over ten clear frozen streams
Words like, when you're older, must appease him
And promises of someday make his dreams

And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game

Sixteen springs and sixteen summers gone now
Cartwheels turn to carwheels thru the town
And they tell him, take your time; it won't be long now
Till you drag your feet to slow the circles down

CHORUS

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through
